Your Commitment

If you would like to participate in the 8th Annual Canadian Informatics Awards Gala, please contact Caitlyn Smith (csmith@tkevents.ca) indicating your choice of sponsorship levels as outlined above. After May 31, 2011, sponsors will be chosen on a first come, first serve basis. Your participation as a sponsor is subject to your written acceptance of the CHIA sponsorship terms and conditions. We look forward to hearing from you.

The sponsorship levels have been developed in the spirit of the Artist's Interpretation of award statue

"The elevated arms of what I like to call the 'Bearer' are for me raised both in victory and in offering. The figure for me is a classical choice for the depiction of both humanistic ideals, health, vitality and for the individual as the subject of the award. It is my hope that the combination of the raised, straitened and supportive arms in concert with the bowed head help to reinforce notions of accomplishment, prosperity and service. For me, it is not an individual's bowl the 'Bearer' presents; it is to and for the community. I chose the bowl to illustrate symbols of: the circle, community, inclusion, container and plenty."
